

## ***WHAT IS VIP CAMP?***

### ***A Very Important Program For Very Important People***

**VIP  
CAMPS**

Very Important Program for  
Very Important People

VIP Camp is a 5 week summer program designed for ages 8-26 with special needs. This program is conducted under the non-profit group Adults for Autism. Using certified teachers as well as other staff that work with children with disabilities in the local schools we are able to provide the campers a well rounded program that provides a safe comforting environment to encourage friendships and special bonds thru art, fieldtrips, guest speakers, sports, and small group activities.

#### ***The VIP Camp program provides multiple opportunities for the students each summer.***

- \*Bonding with other campers
- \*Consistent educational growth during the summer months
- \*Experiences they may not be able to do with families such as water parks, bus rides, soccer, ice skating, gymnastics, cooking
- \*Peer guidance—each child helps the others in their own special way.

#### ***Camp Funding***

VIP camp would not be possible without the generous donations from wonderful people and businesses in the community. Under the guidance of Adults for Autism, VIP Camp is able to host 3-5 different fundraisers a year. For more information on donating, future fundraisers or a chance to support an amazing group of kids please contact
